

PIMA COUNTY CONSOLIDATED JUSTICE COURT
240 N. Stone Avenue, Tucson, AZ 85701 (520) 724-3171

INSTRUCTIONS FOR OBTAINING A CIVIL DEFAULT JUDGMENT

1. You may apply for default judgment if:
 - Affidavit of Service has been filed with the court
 - Defendant(s) has not filed an answer within 20 days after defendant was served/30 days if served out of state.
2. If you have brought your claim against multiple defendants, the default applies only to those defendants who have been properly served and who have failed to file an answer within 20 days after service/30 days if served out of state.
3. In order to proceed with a default, you must complete and file the “Application for Entry of Default”

Step One: Application for Entry of Default, JP49A

1. If your “Application for Entry of Default” indicates that the defendant(s) you want to default is in the military service, or if it cannot be determined if the defendant(s) is in the military service, this may impact whether the court will enter a default judgment. See the Servicemembers Civil Relief Act, 50 United States Code §521 and related sections.
2. You must file the **original Application with the court** and mail a copy of the Application (by regular U.S. mail) to each defendant who you are seeking to default, and the defendant’s attorney, if any. You must also mail the Application to the other parties in the lawsuit.
3. If the defendant(s) files an answer within ten business days of the filing date of the “Application for Entry of Default”, the default will not become effective. The case will proceed as if the answer had been timely filed. The ten (10) day period begins the day after the application is filed with the court; the ten (10) day period does not include Saturdays, Sundays, or holidays, and no additional time is added for service by mail.

Step Two: Request a Default Judgment, JP49B

1. If the defendant(s) does not file an answer within ten days of the filing date of the “Application for Entry of Default”, the default becomes effective.
2. Complete, the “Request and Affidavit for entry of Default Judgment” file with the Court, and serve the “Request” along with a proposed judgment form and supporting documentation. ***You must also provide the Court with stamped envelopes addressed to each party including yourself.*** If your claim is for a specific amount, or if your claim is for an amount that can be determined by a mathematical calculation, you may request the entry of default judgment without a hearing. If your claim is not for a specific amount or an amount that can be determined by a mathematical calculation, you may file a request for a hearing the court will set a default hearing to determine the judgment. A checkbox is provided on the Request form. You must present evidence at a default hearing to prove the amount of your claim.

Note: However, if the other side was served by publication, then a default hearing will be held, JCRCP 140(j). A default hearing may also be held if the judge has some additional questions about the case or if it is requested by a party, JCRCP 140(f).

3. A copy of any judgment or notice of hearing will be mailed to all parties by the court.

Note: The information is only a summary. It is not intended to be a complete list of the requirements of the Arizona Revised Statutes or of the Justice Court Rules of Civil Procedure.
