

Public Hearings

You may contact our Customer Service line at (520)724-3171 or via the Contact Page on our website at <http://www.jp.pima.gov/ContactUs/>. If you would like Information for a specific hearing(s), you must provide a case number, hearing date and time. If you do choose to remotely observe a hearing, please be patient as the hearing may not begin at the exact time scheduled.

Telephonic:

The Court is currently hearing the majority of our cases telephonically via a conferencing application. If the case is being held using that method, you will be given a call-in number and identification code. You will be placed into the call; however, you will not be able to participate in the hearing. When you speak to the clerk that is managing the hearing, you must identify yourself as a "Gallery Member."

Video:

Some cases are being held using video conferencing. In those cases, you will be provided instructions regarding joining the meeting via ZOOM. You may use the ZOOM application or connect via a web URL using the identification code provided to you. When you speak to the clerk that is managing the hearing, you must identify yourself as a "Gallery Member." Although you will be able to observe the video conference, your camera and audio will be muted by the managing clerk to prevent disruption of the court proceedings.

If you need additional information regarding ZOOM, please visit their website at <https://zoom.us>.
