The presiding judge is responsible for establishing court security policies and procedures in accordance with Rule 122.1 and Supreme Court Administrative Order Nos. 2017-79 and 2012-22, which recognize “the safety of those who participate in the judicial process is essential to serving the citizens and doing justice in all cases” and therefore, the need to protect the privacy and security interests of crime victims, individuals seeking protective orders, witnesses, and jurors, and to ensure the safety of all who visit or work in court facilities.

Many people at a court facility are compelled to be there for jury service, to appear as a witness, including undercover law enforcement officers, or to conduct business that is private or not yet public and can only be done at a court. Having their image recorded and displayed on the internet can put these persons in jeopardy, expose them to embarrassment and intimidation, and discourage participation in the judicial process. Additionally, recordings of the interior of court facilities, including security officers and devices could be used to circumvent court security protocols.

IT IS THEREFORE ORDERED, that all types of video recording, photography, including sharing video or live-streaming to social media sites, or other types of broadcasting (hereinafter collectively referred to as “recording”) are prohibited in any facility during its use as a court; building entrances, exits, verandas and adjacent restricted parking areas unless the person proposing a recording obtains advance written consent of the subjects and permission of the

presiding judge or designee. This prohibition extends to recording the inside of a court facility through a door or window. This prohibition also extends to court offices not located in a courthouse.

IT IS FURTHER ORDERED, that a person who seeks to make a recording in a court facility other than a courtroom must submit a written request to designated court staff that provides the name of the requester, the written consent of persons to be recorded, and the proposed recording location, date, time, and manner. To assure timely response, the request should be made at least two business days prior to the proposed date. If permission for the proposed activity is denied due to an unacceptable location, date, time, or manner, and some alternative is acceptable, the court must inform the requester of that alternative.

IT IS FURTHER ORDERED that scheduled court-connected ceremonial proceedings, such as marriages, or other events may be recorded without written permission subject to the authority of judges, Court Administrator or Deputy Court Administrator to limit or terminate recording that is disruptive to court operations or that compromises court security.

IT IS FURTHER ORDERED that this Order does not prohibit use of a personal recording device or scanner to copy a case file document that is otherwise available for public inspection and copying. This Order does not extend to offices at a court facility occupied by non-court agencies.

IT IS FURTHER ORDERED that a law enforcement officer with a body-worn camera may activate the recording function of the camera when providing security within a court facility or when responding to a call for law enforcement assistance.

IT IS FURTHER ORDERED that court personnel provide notice and enforce this order as follows:

1. The court will post a copy of this Order on the court's web site.

2. The court will post a warning sign regarding the conduct prohibited by this Order at every public entry point of facilities governed by this Order.
3. Assigned court staff, security officers or police officers who observe a person violating this Order will:
  - a. advise the person of the violation orally,
  - b. direct the person to immediately stop and delete the recording,
  - c. if the person does not comply, direct the person to leave the facility, and
  - d. if the person does not comply, call law enforcement.

IT IS FURTHER ORDERED that persons failing to comply with this order may be required to leave the court facility, may be arrested, may be held in contempt of court, and may be charged with criminal offenses including:

- A.R.S. §§ 13-1502 or -1503: Criminal Trespass
- A.R.S. § 13-2904(A)(1)-(4): Disorderly Conduct
- A.R.S. § 13-2921(A)(2)-(4): Harassment

Dated this 11 day of July, 2019.

Hon. Vince Roberts, Associate Presiding Justice of the Peace
